Serving the Community

Through Quality Healthcare and Education

The Nanjappa Trust at a Glance

This charitable trust, established in 1983, is dedicated to providing advanced patient care, education, research and community service. Founded by the Late Sri D. G. Nanjappa, the trust was led to success by the visionaries, Sri D. G. Benakappa and Dr B. Dhanyakumar.

Apart from providing comprehensive and quality education to young Indians through the Nanjappa Education Academy, the trust serves the community in various ways. Through Nanjappa Multi-Speciality Hospital & Nanjappa Life Care's state-of-the-art facilities, expert care and treatment is provided to an average of 600 outpatients and 150 inpatients on a daily basis.

The Nanjappa Education Academy

We, at Nanjappa Education Academy, constantly strive to improve the quality of healthcare education in India. Towards this goal, we provide opportunities to students across the country to pursue healthcare education through the variety of courses offered. Each institutions is equipped with cutting-edge infrastructure to assist teaching and research. Facilities such as libraries, state-of-the-art laboratories and intensive vestibule training, enhance the passion of our students, further. In addition, we also offer financial aid to deserving students.

Shivamogga – The Beauty

▲ Jog falls, Shivamogga, Karnataka

Situated in the Malnad region of Central Karnataka, Shivamogga has a breathtaking landscape dotted with waterfalls, palm trees and lush paddy fields. The region is marked by serene rivers and covered with dense forests that have different types of flora and fauna, painting a true picture of nature's bounty! You can always escape into nature and recharge your mind at places like Achakanya Falls, Tunga Dam, and Mandagadde Bird Sanctuary. Jog falls, one of the highest waterfalls in India is also located just 100 kms away from Shivamogga!

Shivamogga is undisputedly one of the most beautiful and inspiring places to come to, for your education.
